**Gifted and Talented Educational Program
Application for One-Year Waiver
2015-16**

Gifted and Talented Educational Program Waiver Applications are to be submitted electronically to GT.DOE@maine.gov by September 30, 2015.

Maine Revised Statutes Title 20-A, Chapter 311, section 8101-A(3) states:

Waivers. Beginning with the 2012-13 school year, a school administrative unit (SAU) that did not operate a gifted and talented program in the 2011-12 school year may apply to the Commissioner for a one-year waiver of this requirement if full implementation of this requirement presents an undue burden. The Commissioner may grant the SAU a waiver upon receipt of an application from the SAU that includes the basis for the waiver request. Financial hardship is one criterion the Commissioner must consider in determining whether to grant a waiver. The Commissioner has the authority to grant a one-year waiver to a SAU and a one-year waiver extension. Any additional request for extensions must be submitted and reviewed on an annual basis.

Please completely describe the basis for the SAU's one-year waiver request and further describe how the SAU is meeting the needs of the gifted and talented population in your district:

I am requesting a waiver because we have so few children and none of them would meet the rigor of being identified as G/T. And, should they need support and extra challenge, our teacher/pupil ration would meet their needs. I have received this waiver each year for the same reasons.

Thank you
